## ABOUT ME

---

Entry-level Data Scientist skilled in Python, SQL, TensorFlow, and Scikit-learn with hands-on experience building end-to-end ML and AI-driven applications. Strong in data preprocessing, feature engineering, and model development, with the ability to transform complex data into actionable insights.

## EDUCATION

---

**B.E. CSE with specialization in Artificial Intelligence and Machine Learning (IBM) (Hons.)** 2022 – Present  
*Chandigarh University, Gharuan, Mohali, Punjab*

CGPA: 8.13

**12 (CBSE) | Kendriya Vidyalaya, 3BRD, Chandigarh** 2020-2021  
*Percentage: 86.17%*

**10 (CBSE) | Kendriya Vidyalaya, 3BRD, Chandigarh** 2018-2019  
*Percentage: 89.8%*

## PROJECTS

---

### SkyGuard AI Military Aircraft Detection using YOLOv8

- Built a YOLOv8-based system to detect military aircraft from images, videos, and webcam input.
- Trained YOLOv8 model on (~4,000 images) images achieving 90%+ detection accuracy.

### Pneumonia Detection Using GAN-Augmented Deep Learning

- Processed 5,800+ chest X-ray images from the Kaggle Pneumonia dataset and used GAN-based synthetic data to handle class imbalance.
- Built a GAN + CNN deep learning pipeline combining real and generated images to improve pneumonia detection.

## SKILLS

---

**Languages :** C++ | MySQL | PYTHON | Machine Learning | Deep Learning | Git | Data Visualization | Data Preprocessing | Pandas | NumPy | Matplotlib / Seaborn | Model Evaluation | NLP | PyTorch | Data Cleaning

**Tools :**Power BI | Excel | VS Code | Google Colab | Origin Pro | n8n

**Interpersonal Skills :** Team Skill | Observation | Decision Making | Leadership | Active Listening | Critical Thinking

## WORK EXPERIENCE

---

**Data Analytics & Visualization Job Simulation Accenture North America (Forage)** 2024  
*Virtual Experience Program*

- Analyzed social media datasets to identify content trends and generate strategic recommendations.
- Cleaned, modeled, and visualized data to extract actionable insights.
- Developed a PowerPoint report and video presentation to communicate findings to stakeholders.

## CERTIFICATION

---

- Become an OCI Generative AI Professional, Oracle University
- Python for Data Science, AI & Development, Coursera
- SQL: A Practical Introduction for Querying Databases, Coursera
- AI-Powered System, Coursera

## PATENTS

---

**AI-Enabled Autonomous Sewer Mapping and Cleansing Device with Adjustable Orientation** Published  
*Patent Application No.: 202511113786*
